

Working in 13 schools in the
Sudbury district

Prayer & Pudding
Held in October at Suffolk Road
Church was a great success.
Thank you to all who came, you
are wonderful people.

Autumn 2017

*Whole of Yr.8 taken out of school
for an art project based around St
Andrews church Gt. Cornard*

Almost 270 students from Thomas Gainsborough School are taking part in the BRONZE ART AWARD looking at the artist John Piper and his work on churches. Working with **art teacher Lucy Nichol**, the chaplaincy was able to facilitate this venture with St Andrews church. The students responded well to working out of the classroom and many commented on the peace and calm they experienced in the church. Ian was able to share that a 1000 years of worshipping God in that place makes a difference! **School, church and chaplaincy working together to enrich our community.**

Any ideas on sensory assemblies that could be used in Hillside Special School would be gratefully received

The website is being reconfigured at the beginning of November. A new link will be made available to take you to the new site when it comes live. CTiSD news will be updated when it happens...

Praise God for the volunteers from the various churches who work so hard to make the work of Future Vision a success – Thank you all.

We are so thankful to God that we are welcomed warmly by teachers and pupils at **St Gregory's Primary** School Tuesday mornings 10.15 Assembly Key Stage I , **Glemsford** on Thursday afternoons 1.05 and **Hartest** Friday afternoon 2.30 .

This term we have been following Jesus from a child to the calling of the first disciples and look forward to the stilling of the storm and the big picnic before sharing The Christmas Story. **Thanks** for the Jesus seeds being sown through our storytelling

Pray they will bear fruit.

Thanks for continued positive relationships with the schools Jesus has entrusted to us . For Holy Spirit to lead us as the love, truth and power of the gospel is spoken and that it will invade the hearts minds and souls of all ages, including our own.

Giving thanks for a child who said - I want to see Jesus - after being part of the story of John baptising Jesus.

Thank you for all the prayer for us leaders and teams.

The Christmas comics will be going into school again – please pray that they will be read and the real meaning of Christmas will be seen and understood. Debbie

Prayer requests.

For **Woodhall school club** as we only have 3 girls, although we can have some very good conversations.

New group at Great Waldingfield soon, report on exactly what that involves once it has started, **please pray for Gods guidance in planning and leading this new adventure .**

Thank you to all of the **volunteers** who help in so many ways and there's always room for more if anyone feels a calling to come along and join in.

For **our finances**. If we are to fulfil some of our dreams then we need to find extra funding

All 6 schools I work in continue to welcome us with open arms, and enthusiasm from teachers and pupils alike. We had a morning of **Harvest celebration at Bures Baptist church** in October, performing 3 assemblies over 2 hours for all children and some parents. We told the story of creation and how God made everything and provided for Adam and Eve. The children from different year groups loved dressing up in masks and using hand puppets to help tell the story.

Hillside special school continues to have 2 assemblies, 1st seniors then juniors. The assemblies are half an hour each and we are trying our best to use as many senses as we can when telling the stories, it can get noisy, but it's great to see everyone getting involved. I have helped at Great Waldingfield also this term and have enjoyed being back. There is something extra special about leading assemblies in your own church school. Lesley

Clubs...Coming back after a long summer holiday your never quite sure what the clubs will be like. We had a huge shock when **Tudor rang to say there was 28 children** signed up for N.Vision. The club is working well, very hectic at times, but relationships are being made and my capacity to remember names is being stretched to its limit!

Acton lunch club have had to put a limit on numbers **as we were getting over 30** and with them eating their lunch in the classroom, it wasn't really practical. Lesley

Day in the life of a Chaplain... Make tea...mourn the loss of a teenage suicide victim.... Lots of questions about devils demons and angels... and how can we trust the Bible?... provide a quiet space for staff to come to once a fortnight – coffee and cakes
